What do Parent Governors do?

Parent Governors participate as part of the Governing Body with as much awareness as possible of parents views.

As the governing body, we work with the school on planning and developing policies and also by keeping the school reviewing how it is working. The governing body does not get involved in the day to day decisions in school, but works alongside the Head Teacher and Staff to constantly strive for school improvement, to offer support and advice and to help the school listen and be responsive to the needs of the pupils, parents and the community.

In order to fulfil the role effectively, it's important that we understand how you feel and what suggestions you have.

How can you get in touch with us?

There are several ways to get in touch to ask us questions or discuss suggestions:

- Catch us in the playground at the start or end of school

- Use the suggestion form on the Governors page of the school website

- Come and talk to us at one of our new "drop-in" sessions at school. We've got 2 sessions planned this term:

- Thursday 16th June from 9:00 – 9:30 am
- Monday 4th July 3:00 – 3:30 pm
